D.No.1695 S.N.(1) cor.n.1

p.u.c 1 The proposals submitted by the Inspector of Schools Coorg and Bangalore, for the payment of grant to the Municipal Commission fall under the following items :-

(1) Maintenance of 14 Municipal Schools started under the five year programme.

(2) Maintenance of 6 old Municipal Girls' Schools.

2 The accounts received with the p.u.c. have been checked and found correct. In consultation with the Inspector of Schools, the F.A. has suggested that the grant may be cut by Rs. 1500/- to provide for possible savings, and adjusted next year. The suggestion may be accepted and a cut of Rs. 1000/- made under item (1) and Rs. 500/- under item (2) above. The excess paid in 1937-38 (Rs. 3035/-) may be deducted from this year's grant and credited to Govt. The recoveries will appear as a receipt, and this may be reported to the Political Department by telegram before the 15th March 1939.

3 As regards para 6 of the Inspector's letter it may be mentioned that the estimates for 1937-38 were prepared by the Municipal Commission in February 1938, i.e., before they received our letter dated the 16-3-1938, regarding payment of grant for medical inspection of Municipal schools. ~~There seems to be however, no harm in warning R.M.C. again that the expenditure should not be over-estimated.~~

A provision of Rs.49,700-0-0 has been made in the sanctioned budget for this purpose:-

(i) Maintenance of the six old Municipal Girls' Schools.

(ii) Maintenance of the Higher Elementary sections of the three Higher Elementary schools opened under the 5 year Programme.

(iii) Maintenance of the 5 Boys' schools opened under the 5 year Programme.

(iv) Maintenance of the 6 Girls' schools opened under the 5 year Programme.

3. I request you to be good enough to obtain the Hon'ble the Resident's sanction for the payment of the above sum to the President, Municipal Commission, Bangalore.

4. The expenditure will be debited to the head "33- Payments to the Crown Representative - Account II Education - D. Grants-in-Aid to non-Government Primary Schools - Grants-in-Aid to Local Bodies for Primary Education - Maintenance of Municipal Schools" in the current year's Budget.

5. I also enclose herewith a statement (marked C) showing the grant given to the Municipal Commission during the year 1937-38, and the actual expenditure incurred during the year. A sum of Rs. 3,035-1-7 remains unspent out of the grant given. This may be ordered to be refunded to Government.

6. In this connection I have to invite your attention to the abnormal disparity between the cost estimated by the President, Municipal Commission and the actual expenditure during the year 1937-38 in spite of your warning conveyed in your R.Dis.No. F.232-38/R.O.II, dated 16-3-1938. This large amount could have usefully been utilised as grants-in-aid to aided Primary schools, which have been hard hit by recent reductions in budget allotments.
